

Library's Impact and Value

The 2016 Student Survey Instrument collected data to provide evidence of the **library's impact and value**. The metrics from the student data that achieve this are highlighted in the graph below.

WEBSTER UNIVERSITY WORLDWIDE STUDENT SURVEY RESULTS:

- 77% *strongly agree/agree* - the library helps them to **make more efficient use of their time**
- 87% *strongly agree/agree* - the library helps them to **achieve overall academic success**

This student survey question was adapted from a previous library survey at Massachusetts Institute of Technology Libraries that is licensed under a Creative Commons Attribution 3.0 License.
