**ARTICLES for BUSINESS AND MANAGEMENT**

TIP! Start here to find articles from academic *journals* & magazines on almost any business topic.

**Business Source Complete**
Our largest source of journals, magazines and reports in business, management, economics, finance, accounting, international business, and marketing. Provides full-text from the first issue for about 40 classic periodicals (e.g. Harvard Business Review) and company SWOT and industry reports from sources like MarketLine.

**ABI/Inform Complete**
Covers leading business and management journals and trade publications and includes company profiles from Hoovers and the full-text of articles from the Wall Street Journal.

*TIP Need Journal Articles? (aka peer-reviewed/refereed/scholarly/academic)*
The two databases above (and most Library article databases) allow you to limit your search to scholarly, academic journals using the “peer-review” limit to find articles.

**Newspapers, business magazines & trade/industry publications**

**BizJournals**
10 years of digital/PDF copies of the current issues for all 40+ newspapers published by American City Business Journals. Includes the St Louis Business Journal and the current Book of Lists for each city/regional newspaper.

**Factiva**
A broad range of news sources and other content provides US and global perspectives on most business issues including content from 200 countries in 26 languages.

**Wall Street Journal (WSJ)**
Full-text of articles (no financial tables) from 1986 to present via a publication search in ABI/Inform (Proquest).
**ARTICLES for COMPUTER SCIENCE & MATHEMATICS**

**ACM Digital Library**
This Association for Computing Machinery database offers full-text articles on topics including computer-human interaction, databases, modeling & simulations, security, programming languages, and software engineering.

**Scopus**
A major index for scientific, medical, technical, and social science journals - over 16,000 of which are peer reviewed. Features of the database include journal impact factors and the ability to analyze citations.

**Academic Search Complete**
A comprehensive, scholarly, multidisciplinary, full-text database covering thousands of publications including magazines and journals, monographs, reports, conference proceedings, etc.

**Emerald Full Text**
Contains over 100 management, library, and information science journals with full text archives back to 1994.

**ARTICLES from MULTIDISCIPLINARY & RELATED AREAS**

**Academic Search Complete**
A comprehensive scholarly, multidisciplinary full-text database, with more than 13,200 publications including magazine and journal articles, monographs, reports, conference proceedings, etc.

**Emerald**
Contains full-text articles from over 120 management, library and information science journals. Major topics include strategy, leadership, information management, marketing and human resources.

**LexisNexis Academic**
For help, click Research Guides on Tools menu on left of database homepage. A multi-disciplinary source that includes access to regional and international newspapers and statutory and case law materials. Expand the “Search by Subject or Topic” menu to search for US and international News, Legal materials, Companies and Country Information.

**PsycInfo 1887-Current** (includes indexing/full-text from PsycArticles and PsycBooks databases).
This American Psychological Association database provides indexing of the scholarly literature of human behavior including motivation; consumer, advertising & market research; decision making; leadership & management; organizational & industrial psychology; etc.

**Scopus**
Scopus is a major index for scientific, medical, technical, and social science journals - over 16,000 of which are peer reviewed. Scopus also indexes websites and patents. Features of the database include journal impact factors and the ability to analyze citations. Provides full search capabilities and links to full-text for ScienceDirect Social & Behavioral Sciences Collection (College edition), which covers 350 Elsevier periodicals that cover business, management, accounting, decision sciences, economics, finance and social sciences.

******* TIPS for Finding the Full-text of Articles *******
♦ If the text is not linked directly from the citation, click on the Article Linker (or 360Link) icon to link from a citation in one database to the full-text of the article, if available, in another.
♦ Have the title of a periodical? For a searchable list of 65,000 periodical titles covered in full-text by all the library's databases and those in print at the library, see our Journal/Magazine/Newspaper A-Z List under Articles / databases.
♦ If full-text is not available online, use Interlibrary Loan/Document Delivery – See Library Services Online, p.11.
**Library Catalog:** The online catalog offers keyword, title, author, subject, etc. searching of over 300,000 items including such formats as books, periodicals & journals, eBooks, music CDs, and videos & DVDs owned by the library.

- **Electronic Books:** The library offers over 75,000 current and classic e-books and chapters covering a variety of subjects. Records and hot links for all eBooks appear in the library catalog or use the eBooks search on the library homepage. To search the full-text of eBooks across an entire collection access the database.
  
  Multidisciplinary academic book collections:
  - Ebook Central (formerly ebrary)
  - eBook Collection (formerly NetLibrary)
  - PsycBOOKS

  Reference books:
  - Credo Reference
  - Gale Virtual Reference Library

- **DVDs and Video:** Over 20,000 educational VHS, DVD, and streaming videos. Use the library catalog or the Videos/DVDs link on the library homepage to search the videos by title, keyword, genre, etc. Search will also retrieve thousands of streaming videos from such databases as Films on Demand and others.

### ADDITIONAL BUSINESS VIDEO CONTENT

The **Business Source Complete** database includes over 50 videos (and their transcripts) from the Harvard Faculty Seminar Series. To see all videos, search Harvard FSS.

The **Entrepreneurial Studies Source** database also provides access to over 600 streaming videos from Harvard FSS, Vator and other video providers.

Note: These videos are not included in the library catalog.
Business Valuation and Sales Data

BizMiner
Industry Financial Analysis: For small to medium-sized businesses, provides aggregated industry and geographic data for over 5,000 lines of business, including 3 and 5-year industry financial profiles and ratios, balance sheet and profit & loss statements. The Industry Market Analysis allows one to find market research for small firms by U.S.-wide, state, metro, or county.

BVLibrary – requires second login to access
   BV Law: Full-text of federal and state court decisions and IRS materials on valuation.
   BV Research: Searchable database of business valuation research papers, articles, industry surveys, etc.
   Deluxe BVUpdate: Concise, authoritative, access to the business valuation literature.
   Economic Outlook Update: Quarterly updates on the U.S. economy, includes inflation & interest rates, unemployment, consumer spending, the stock and bond markets, construction, manufacturing, etc.

BVMarketData – requires second login to access
   Mergerstat/Shannon Pratt's Control Premium Study: Quantifies the minority discount and control premium data used in valuation and appraisals of public companies.
   Pratt's Stats: Reports sales of large privately and closely held companies.
   Public Stats: Reports sales transactions of large public company sales.

DoneDeals Online
Provides M&A details for private and public mid-market companies with purchase prices between $1m and $1b.

Company Directories

American Firms Operating in Foreign Countries and Foreign Firms Operating in the United States
From Uniworld. Public and private American firms that have headquarters, branches, subsidiaries or affiliates in foreign countries and vice versa. Records may be printed, but Excel download is unavailable.

Business Source Complete -- Company Info search
Find a directory listing with financials, subsidiaries, products, executives, industry and related periodical articles, SWOT analyses, industry and market research reports.

Factiva -- Companies/Markets tab
Search by company name or ticker to find news, peer comparisons, financials, etc, for US and international firms.

Hoover's Company Records (via ABI/Inform Proquest) Company profiles, financials, and competitor lists.

LexisNexis Academic For help, click Research Guides on Tools menu on left of database homepage. Expand the “Search by Subject or Topic” menu and select Dossier from the Companies category to search for directory information, profiles, SEC filings and market and industry reports.

ReferenceUSA U.S. Businesses
Covers over 14 million verified businesses allowing one to search by company name, executive name and title, industry codes or keywords, geographic location (from zip code to state).

Sorkins Online Local business directories for St Louis, Chicago and Kansas City. Available only from on-campus computers at these Webster extended campus sites.
**Entrepreneurial Studies Source**
Indexing for 125 key periodicals and 135 reference books. Click **Company Profiles** from the search bar at top of database page for company reports and SWOT analysis. 600 videos and transcripts are searchable using the More pull-down. (For more search tips, see page 3 of this guide under “Additional Business Video Content”)

**Proquest Entrepreneurship**
Designed to provide entrepreneurs with resources to develop and research their ideas while providing valuable insight to help grow their product or service. This collection includes video clips, business plans, market research, blog entries and company profiles from Hoovers.

For small firm financials and marketing see also: **BizMiner** under the Financials, Industry and Marketing categories and **ReferenceUSA** under Company Directories and the Marketing categories.

**FINANCIALS, INVESTMENT & ACCOUNTING**

**Morningstar Investment Research Center**
Reports on more than 8,000 stocks and 12,000 mutual funds; analyst reports and stock and fund screeners.

**Standard & Poor's NetAdvantage** Business Intelligence Package
Provides an integrated search platform to Standard & Poor's business content including stock, bond, and earnings guides, and dividend records; mutual fund reports, corporation records and directories; industry surveys; etc. The **Compustat Excel Analytics** module provides online access to some data from the **Compustat** data set (see p. 9, “Business Data Sets”)

**RMA eStatement Studies** (formerly from Robert Morris Associates)
Composite financial data from over 190,000 anonymous financial statements within 600 industries.

**Specialized reports and articles**

**BizMiner**
Industry Financial Analysis: For small to medium-sized businesses, provides aggregated industry and geographic data for over 5,000 lines of business, including 3 and 5-year industry financial profiles and ratios, balance sheet and profit & loss statements. The Industry Market Analysis allows one to find market research for small firms by U.S.-wide, state, metro, or county.

**Factiva:** Financials for US and international companies may be found using the **Companies/Markets** tab.

**LexisNexis Academic** For help, click **Research Guides** on Tools menu on left of database homepage. Expand the “Search by Subject or Topic” menu and select Dossier from the **Companies** category.

**Proquest Accounting & Tax**
Covers articles in top journals from sources such as the American Accounting Association and reference reports, tax law and publications from AICPA, American Bar Association, CCH and Aspen, and more.

**ProQuest Banking Information Source**
Coves journal artciles, industry and professional newsletters and papers to help users stay informed in the financial services market, predict future market trends, and monitor the rise of future competition.

**TWST: The Wall Street Transcript** (available via Business Source Complete database)
TWST provides a unique perspective through interviews with corporate CEOs, analysts, money managers, etc.

**Value Line Investment Survey** (Standard ed.)
Industry overview, past performance, and future projections for **large cap** stocks and industries.
### Additional Reports & Articles for HEALTH ADMINISTRATION

**Academic Search Complete**  
A comprehensive, scholarly article database covering thousands of publications including magazines and journals. Use to search for current events, public policy and law review for medicine and health care topics.

**American Hospital Directory**  
Searchable directory for more than 6,000 hospitals nationwide

**CCH IntelliConnect**  
CCH publications on current news, practices, guidelines, cases, laws, and regulations regarding health care reimbursement and compliance, food & drugs, etc.

**Medline**  
A mega-database covering the biomedical literature. It also indexes trade publications and journals formerly covered by the *Hospital & Health Administration Index*. Use the “Limit your results” feature, found below the search boxes, on the advanced search form.

**NHS Economic Evaluation Database**  
Assists decision-makers in professional health care by providing information on the costs and efficacy of drugs, treatments and procedures.

### Additional Reports & Articles for HUMAN RESOURCES

**CCH IntelliConnect**  
CCH publications on current news, practices, guidelines, cases, laws, and regulations regarding human resource management, training & support, occupational safety, pension, payroll, benefits, etc.

**ERIC**  
Extensive coverage of periodical articles and educational documents concerning learning and teaching styles, pedagogy, and training issues.

### INDUSTRY REPORTS AND RATIOS

**IBISWorld Industry Market Research**  
Contains industry reports with key statistics, analysis, 5-year projections, and geographic trends for over 700 U.S. industries. **IBISWorld: U.S. Specialized Reports** cover thousands of smaller, niche industries and **Business Environment Reports** link from an IBIS industry report to important economic topics (commodity prices, consumer attitudes, government policies, etc.) that affect that industry.

**BMI Research** (formerly Business Monitor Online)  
Analysis on emerging and global markets in 175 countries (select: Geography) with surveys in 20 key industry sectors (select: Service).

**RMA eStatement Studies**  
Formerly from Robert Morris Associates, RMA contains composite financial data from over 190,000 anonymous financial statements of businesses operating in 600 industries.

Specialized industry reports continue on the next page
BizMiner
Industry Financial Analysis: For small to medium-sized businesses, provides aggregated industry and geographic data for over 5,000 lines of business, including 3 and 5-year industry financial profiles and ratios, balance sheet and profit & loss statements. The Industry Market Analysis allows one to find market research for small firms by U.S.-wide, state, metro, or county.

Standard & Poor’s NetAdvantage
Contains the online version of Standard & Poor’s Industry Surveys, an excellent source for economic and business information on over 50 major U.S. industries.

TIP! Need a North American Industry Classification System (NAICS) code to track a product, service or industry? Visit the NAICS website at http://www.census.gov/epcd/www/naics.html

LEGAL Cases & Practice Guides and BUSINESS LAW

Lexis-Nexis Academic For help, click Research Guides on Tools menu on left of database homepage. Expand the “Search by Subject or Topic” menu to search US and International Legal materials including U.S. state and federal legal statutes and cases, law reviews, federal regulations and tax law and international law.

CCH IntelliConnect
CCH publications cover news, practice guidelines, cases, laws, and regulations regarding HR and healthcare.

Missouri CLE Book - Missouri Bar Continuing Legal Education deskbooks. Missouri practice guides merge relevant statutes with interpretation and case law to cover topics such as bankruptcy, business, corporate and commercial law; IP; employment and worker’s comp; taxation, etc.

MARKETING AND INTERNATIONAL BUSINESS Reports and Data
See Industry Reports category also

Business Monitor Online
Provides macroeconomic data, financial and company news and analysis on emerging and key global markets. Covers 175 countries (select: Geography) with surveys in 20 key industry sectors (select: Service).

Business Source Complete
Our largest business article database indexes over 25,000 business magazines, trade publications, journals and includes company, country and industry reports from Datamonitor/MarketLine. From your search results, use the “Refine Results” (left menu) to limit by Source Type, e.g. trade publications, industry profiles, market research reports, and country reports.

Bizminer
Industry Market Analysis allows one to find and compare market research for small firms in 9,000 lines of business in 300 market areas: US, state or metro. Provides three years of industry operations from broad to focus: e.g. from general/all restaurants to specific types such as ethnicity (Chinese) or cuisine (barbeque).

This category continued on next page.
**EIU ViewsWire** limited *Country Data* and *Country Finance & Forecast Reports* via Proquest database
Produced by the Economist Intelligence Unit, this newsletter provides expert analysis of the political, economic, business, financial, and regulatory conditions for countries worldwide. From database page, click “Browse by subject” to browse by location (country).

**Factiva**
Search news wires and magazines across companies, industries and regions.

**MRI+ / MRI Plus : Mediamark University Reporter**
Based on MRI's *Survey of the American Consumer*, the *University Reporter* provides access to adult consumers' media choices, product usage, demographics, lifestyle and attitudes. Covers nearly 6,000 product and service brands across 550 categories and media usage including periodicals, Internet, TV, radio and out-of-home.

**Nielsen Segment & Market Solutions** (formerly SRDS Media Solutions’ Local Market Audience Analyst)
A research tool with new data, methodologies, segmentations, and reports based on Nielsen Claritas reports and PRIZM segmentation.

**ProQuest Asian Business and Reference**
This database focuses on business and financial news articles from the eastern hemisphere. It covers Asian business and financial information from key international publications.

**ReferenceUSA: U.S. Consumers/Lifestyles module**
Covers market research on over 203 million consumers allowing one to search by geographic location (from zip code to state), housing, lifestyles, and consumer snapshot data. Also provides the US Businesses module that allows one to search for business in an industry or geographic area.

---

**PROCUREMENT & ACQUISITIONS AND BUSINESS SECURITY MANAGEMENT**

**FAR - the Federal Acquisition Regulations** provides detailed guidelines and standards for the US government to acquire goods and services and is relevant to anyone conducting business with the federal government. A subset, the Defense Federal Acquisition Regulation (DFAR) provides more specific military guidelines. FAR is Title 48 CFR and chapter 2 of the FAR is DFAR. These regulations are available via the LexisNexis Academic database. To search, select “Search by Subject or Topic” and follow this path:  

**IBISWorld Industry Market Research**
Contains industry reports with key statistics, analysis, 5-year projections, and geographic trends for over 700 U.S. industries. The IBISWorld: U.S. Specialized Reports cover thousands of smaller, niche industries and Business Environment Reports ink from an IBIS industry report to important economic topics (commodity prices, consumer attitudes, government policies, etc.) that affect that industry. The main page of each report links to reports for the demand and supply industries.

**Military & Government Collection**
Current periodicals and government documents covering all branches of the military and the government.

**Scopus**
This indexing database covers a wide range of technical journals. For more efficient searching, limit to the Social Science (which includes business) & Humanities subject area.
**BUSINESS DATA SETS**

**Data-Planet Statistical Datasets**
This resource provides easy access to an extensive repository of standardized and structured statistical data. Among the data sources are the Bombay Stock Exchange, the US Census Bureau, the China Data Center, the International Monetary Fund which includes the International Financial Statistics data module, the Office of Personnel Management, Standard & Poors (S&P) Index, the World Bank, and Zillow Real Estate Metrics.

**TIP!** The following data sets require software to manipulate the data; all have significant access limitations. Consequently, the software and data sets are loaded at the main campus only. Contact the Business & Management Liaison Librarian for details and access.

**CompuStat (North America) Research Insight** from Standard & Poor’s
Contains 20 years of annual financial data for over 10,000 active U.S. and Canadian companies and data for over 7000 inactive companies. Access pre-defined reports and company performance charts; build custom reports; or screen to build lists of companies which meet certain criteria. Data updated quarterly.

- Some financial data reports are available to Webster users online via the CompuStat Excel Analytics module within Standard & Poor's NetAdvantage.

**CRSP (Center for Research in Security Prices) 1925 US Stock Database**
Contains security-level historical (from 1925 for NYSE) pricing, returns, and volume data on more than 20,000 stocks (inactive and active companies) from the NYSE, AMEX, and NASDAQ markets. Can be loaded for only 10 faculty/researchers at home campus only. Annual data updates.

**TECHNOLOGY TRAINING**
To access the following resources login to your Webster University Connections

**lynda.com**
Offers students, faculty and staff instructional videos on a broad range of subjects, including business skills, photography, design, music and video, home computing, animation, and web design and development and taught by recognized industry experts.

**Webster University Gartner Portal**
Webster University has contracted with Gartner to provide independent research and analysis to Webster's faculty, staff and students at no cost. Gartner bills itself as “the world's leading information technology research and advisory company”, delivering the “technology-related insight necessary for our clients to make the right decisions”.

The examples listed below are Internet-based and video tutorials that assist users to learn more about doing business research using library resources. For complete lists of research guides and tutorials check the library’s homepage: http://library.webster.edu/

HELP
Webster University Library Staff is happy to help you select and search library databases and link you to library services.

FOR BRIEF(ER) QUESTIONS

➢ REFERENCE/RESEARCH DESK
  o Toll free: 800-985-4279 (800-WU-LIBRY)
  o 314-968-6950

➢ ASK A LIBRARIAN
  o linked under Research Help on the library homepage.
  o Search FAQs, chat 24/7, post questions at http://libanswers.webster.edu/

FOR IN-DEPTH HELP
Reserve (in advance) a time slot for a phone or in-person research consultation with your subject librarian.

➢ Mary Anne Erwin, MALS; Business & Management Liaison/Subject Librarian
  o maerwin@webster.edu 314-246-7841

➢ Heidi Vix, MLS; Mathematics & Computer Sciences Liaison/Subject Librarian
  o heidivix29@webster.edu 314-246-6951

The MOST RECENT UPDATE OF THIS DOCUMENT is available on the Business & Management @ Webster University Library research guide at http://libguides.webster.edu/businessmanagement -- Comprehensive list of business databases …
**Article Linker** - Integrated into most databases, this online software will link from an article citation in one database to the full-text of the article in another database or let you know if the periodical is in the library.

**Business Case Studies** research guide [http://libguides.webster.edu/businesscasestudies](http://libguides.webster.edu/businesscasestudies)
How to find case study articles in library databases and cases in books via the library catalog, links to commercial publishers (like Harvard Business School) that sell cases and some websites that offer “free” cases.

**Citation Guides** - helpful links for research paper bibliographies using APA, MLA, Chicago/Turabian, etc.
- Home  ➔  Research help: [Citation guides](http://library.webster.edu/citation/index.html) OR [http://library.webster.edu/citation/index.html](http://library.webster.edu/citation/index.html)

**DVD/Video reservations for faculty teaching in the U.S.** To show in your classroom, reserve at least 2 weeks in advance show in your classroom
- Path: Home  ➔  Videos/DVDs (Video search express) OR [http://library.webster.edu/services/avorder.html](http://library.webster.edu/services/avorder.html)

**Electronic Reserves** (eReserves): faculty-posted course documents. This service is being transitioned to WorldClassroom via Canvas. Faculty may use the link below for help with posting your files.
- Path: Home  ➔  eReserves OR [http://ereserves.webster.edu/eres/](http://ereserves.webster.edu/eres/)

**Interlibrary Loan/Document Delivery account (ILLiad)** Use your account to request copies of articles and book chapters if full-text is not available online.
- Home  ➔  Request books or articles or you may access your account from [Article Linker](#) (see above).
- Extended campus patrons may request copies of print items owned by the library. Allow 2 business days.
- All patrons may request items not owned by the library. We’ll get it from another library. Allow 5-7 days.
- Items are scanned and posted to your account as PDFs. You receive an e-mail when your request is filled.
- Login to your account to check the status of your requests and read/print them when filled.
- *In Spring 2015 ILLiad replaced ClioWeb for Interlibrary Loan (ILL) and Document Delivery (DocDel).

**Journal Magazine Newspaper A-Z List:** searchable title list of over 65,000 periodicals available online or in print in the library.
- Library homepage ➔ Articles/Databases ➔ “Know the specific journal or article you want?”
- [http://an5yc3xq7d.search.serialssolutions.com/](http://an5yc3xq7d.search.serialssolutions.com/)

**MOBIUS** – Catalog for Missouri academic library consortium of over 20 million books and other items. Request books and other printed materials (media is not shared) using the integrated request feature. Delivery is via courier to the home campus library. Items then sent to US extended campus patrons. International users may order copies of book chapters using the Interlibrary Loan/Document Delivery service.

**RefWorks** - download citations, track your research, print reference lists in multiple styles (e.g. APA, MLA)
- Getting started: Log into Refworks using your name and Webster ID number (and/or the Webster group code). Sign up/create your own individual account. The RefWorks tutorials under Help on their homepage are excellent learning tools.

**Request Books & Articles** - request books or articles from the library’s collection or from other libraries.
- Home  ➔  Request books or articles OR [http://library.webster.edu/howdoi/quickrequest.html](http://library.webster.edu/howdoi/quickrequest.html)

**Research Fellows Program** – Fee-based service allows Webster University alumni to access library resources.
- [http://library.webster.edu/services/resfellow.html](http://library.webster.edu/services/resfellow.html)
