Liaison Services

A librarian is assigned to one or more academic departments on campus. I work with the faculty in my department to:

- Build a quality library collection to meet departmental needs.
- Promote information literacy
- Provide general assistance with finding information for research or teaching projects
- Serve as a resource for questions or concerns about the library

Ordering New Materials

Each year, the Library allocates a percentage of the library's budget to be used by your department to purchase books, e-books, DVDs, and other media for the library. Previews of media materials may be available under certain circumstances.

To request the purchase of an item for the library collection, contact your department chair or the faculty member assigned to handle purchase requests in your area.

Spending Deadlines

The following deadlines help to ensure that orders are placed in time to expend the funds by the end of the fiscal year:

- By **Nov. 15**, 50% of your library budget should be encumbered or spent
- By **Jan. 31**, 75% of the budget
- By **Mar. 1**, 100% of the budget

Departments are encouraged to select items for the collection year-round. The date of order placements determines which fiscal year budget will be charged.

Professional Journals

New periodical subscriptions are considered in the spring. Please let me know if there are journal titles you would like the library to consider. Subscriptions are purchased from a central, not departmental, fund.

You can check our [Journal/ Magazine/Newspaper A-Z List](#) to see if a journal is available in the library or online. (Access: <http://library.webster.edu>, click on [Articles / Databases](#)).

Please contact me if you would like a list of the library's current print periodical subscriptions in your area .

Online Databases

Library databases that support research in your field include:

- Academic Search Premier
- ProQuest
- JStor
- Columbia Granger's Poetry

More databases: <http://library.webster.edu/databases/index.html>

New database subscriptions are considered each spring. Please let me know if you are interested in a new database and I may be able to set up a trial subscription. Electronic databases are paid from a separate library account.
