Dear Bob,

I sometimes remind people who are doing holy things that it is they who really move the universe. I believe that. I tell them that even though they are not in the headlines, their daily efforts make a spiritual difference. You make me realize that on (rare) occasions, those in the news are also doing selfless and meaningful acts. Your upcoming roast is another example of the community good work that you continue to do and do and do.

Peace in deed,

Harry
