

Memo: Senator Stuart Symington
Re: Southeast Asian war
From: People of Second Congressional District

As citizens of the state of Missouri and the Missouri Congressional District, we are petitioning you to return to your district and discuss with us, your constituency and electorate--the escalation of the Southeast Asian war. We are petitioning for a public meeting in the near future so that you, our elected official, may be made aware of the opinions of your constituency.

Memo: Senator Thomas Eagleton
Re: Southeast Asian war
From: People of Second Congressional District

As citizens of the state of Missouri and the Missouri Congressional District, we are petitioning you to return to your district and discuss with us, your constituency and electorate--the escalation of the Southeast Asian war. We are petitioning for a public meeting in the near future so that you, our elected official, may be made aware of the opinions of your constituency.

Memo: Congressman James W. Symington
Re: Southeast Asian war
From: People of Second Congressional District

As citizens of the state of Missouri and the Missouri Congressional District, we are petitioning you to return to your district and discuss with us, your constituency and electorate--the escalation of the Southeast Asian war. We are petitioning for a public meeting in the near future so that you, our elected official, may be made aware of the opinions of your constituency.
